Student Council Carries On Outstanding Policies

Under the leadership of President Rick Selby, Vice-President Frank Schuster, and Secretary Donna Fisher, the student council was able to carry on the good policies set up by previous councils.

In the fall the council and the senior class sponsored the first Homecoming dance. Members were also able to include marching band as a physical education credit.

Student council elections for '68-'69 were held in March under the bi-partisan system. Gerald Myers was elected president and David Coffelt was elected vice-president from the IUA party. Ruth Anne George was elected secretary from the Bull-Moose party.

Advisers for the council during the year were Mr. John McGinness and Mr. Herman Boswell, principal.

Administrators Make Revisions; Increase School Curriculum

Throughout the 1967-1968 school year the school board and administrators maintained educational standards by increasing and revising the present MHS curriculum.

Total academic credits expanded to 89 and one quarter units with additions to various departments. Plans were also made to increase units for the coming year in the areas of speech and drama, science, vocational studies, fine arts, and distributive education.

As new principal, Mr. Herman Boswell proved to be a qualified administrator in aiding students and faculty during the year. With the assistance of Mr. Beach, Mr. Boswell was able to perpetuate excellence at MHS.

Business Education Pupils Gain Added Proficiency

As a result of the distributive education classes instigated at the beginning of the 1966-67 school year numerous students were given the opportunity to gain actual work experience.

Working for salaries in various Maryville businesses, the distributive education students acquired on-the-job business training.

Other business classes offered included Typing I and II, business law and economics, clerical practice, shorthand, merchandising, and bookkeeping. Through the use of the language laboratory and office equipment, business students were able to gain practical experience.

Linguists Study Customs, Backgrounds of Spanish, French-Speaking Nations

Cultivating greater interest and understanding of Spanish and French-speaking countries as well as learning the languages were the basic goals of the Spanish and French classes.

Spanish I, II, and III students were given the opportunity of having a student teacher who is a native of Havana, Cuba. French classes as well as Spanish classes supplemented their studies through the use of the language laboratory and numerous audio-lingual tapes.

To further the appreciation and enjoyment of music through actual participation was the underlying purpose of the MHS music department

Included in the activities of the music department during the 1967-68 school year were the Pops Concert, held in November, the annual Christmas Concert, Honors Night, and a spring concert. Both instrumental and vocal music students also participated in both district and state contests

Highlighting the year for the A Cappella Choir was a concert with the Kansas City Philharmonic, the Northwest Missouri State College Tower Choir, and the College Chorus

Learn Practical Skills

Students who have enrolled in industrial arts or vocational agriculture were given many opportunities to develop skills in these phases of practical arts.

Industrial arts students' work ranged from designing blueprints for house plans in mechanical drawing to metal and wood projects.

Vocational agriculture classes constructed sheds and barns on campus. Other activities in the classroom also included the vocational agriculture curriculum was a class in steel gas engines.

Dramatists Highlight Year With Theatrical Staging Of "The Miracle Worker"

As a result of many long hours of practice, the drama department was able to stage the dynamic production of "The Miracle Worker" March 7 and 8

In the three act, full-length drama, cast members portrayed the life of Helen Keller and showed the outstanding character of her teacher-governess, Annie Sullivan. Realistic portrayals of the other members of the Keller family along with the minor role of the Negro maid Viney, contributed to a superior production.

Throughout the year, dramatists studied many aspects of theatrical work, giving them an insight into future acting opportunities. At the annual awards assembly, new members were inducted into the Thespian Society, an honorary drama organization

Future Teachers Broaden Knowledge; Seek Rewarding

Careers in Teaching

Monthly meetings, composed of panel discussions, slides, and guest speakers, aided Future Teachers in exploring the many facets of teaching. In service to their school, members served as guides at open house during American Education Week, presented a student assembly, and sponsored a tea for the faculty.

To gain experience in active teaching, F. T. A. members were given the opportunity to teach in either the senior or junior high. All of these things combined helped students to get an insight into teaching.

Officers for the '67-'68 year were delegates to the District and State Conventions, and new officers were initiated at the Parents' Banquet.

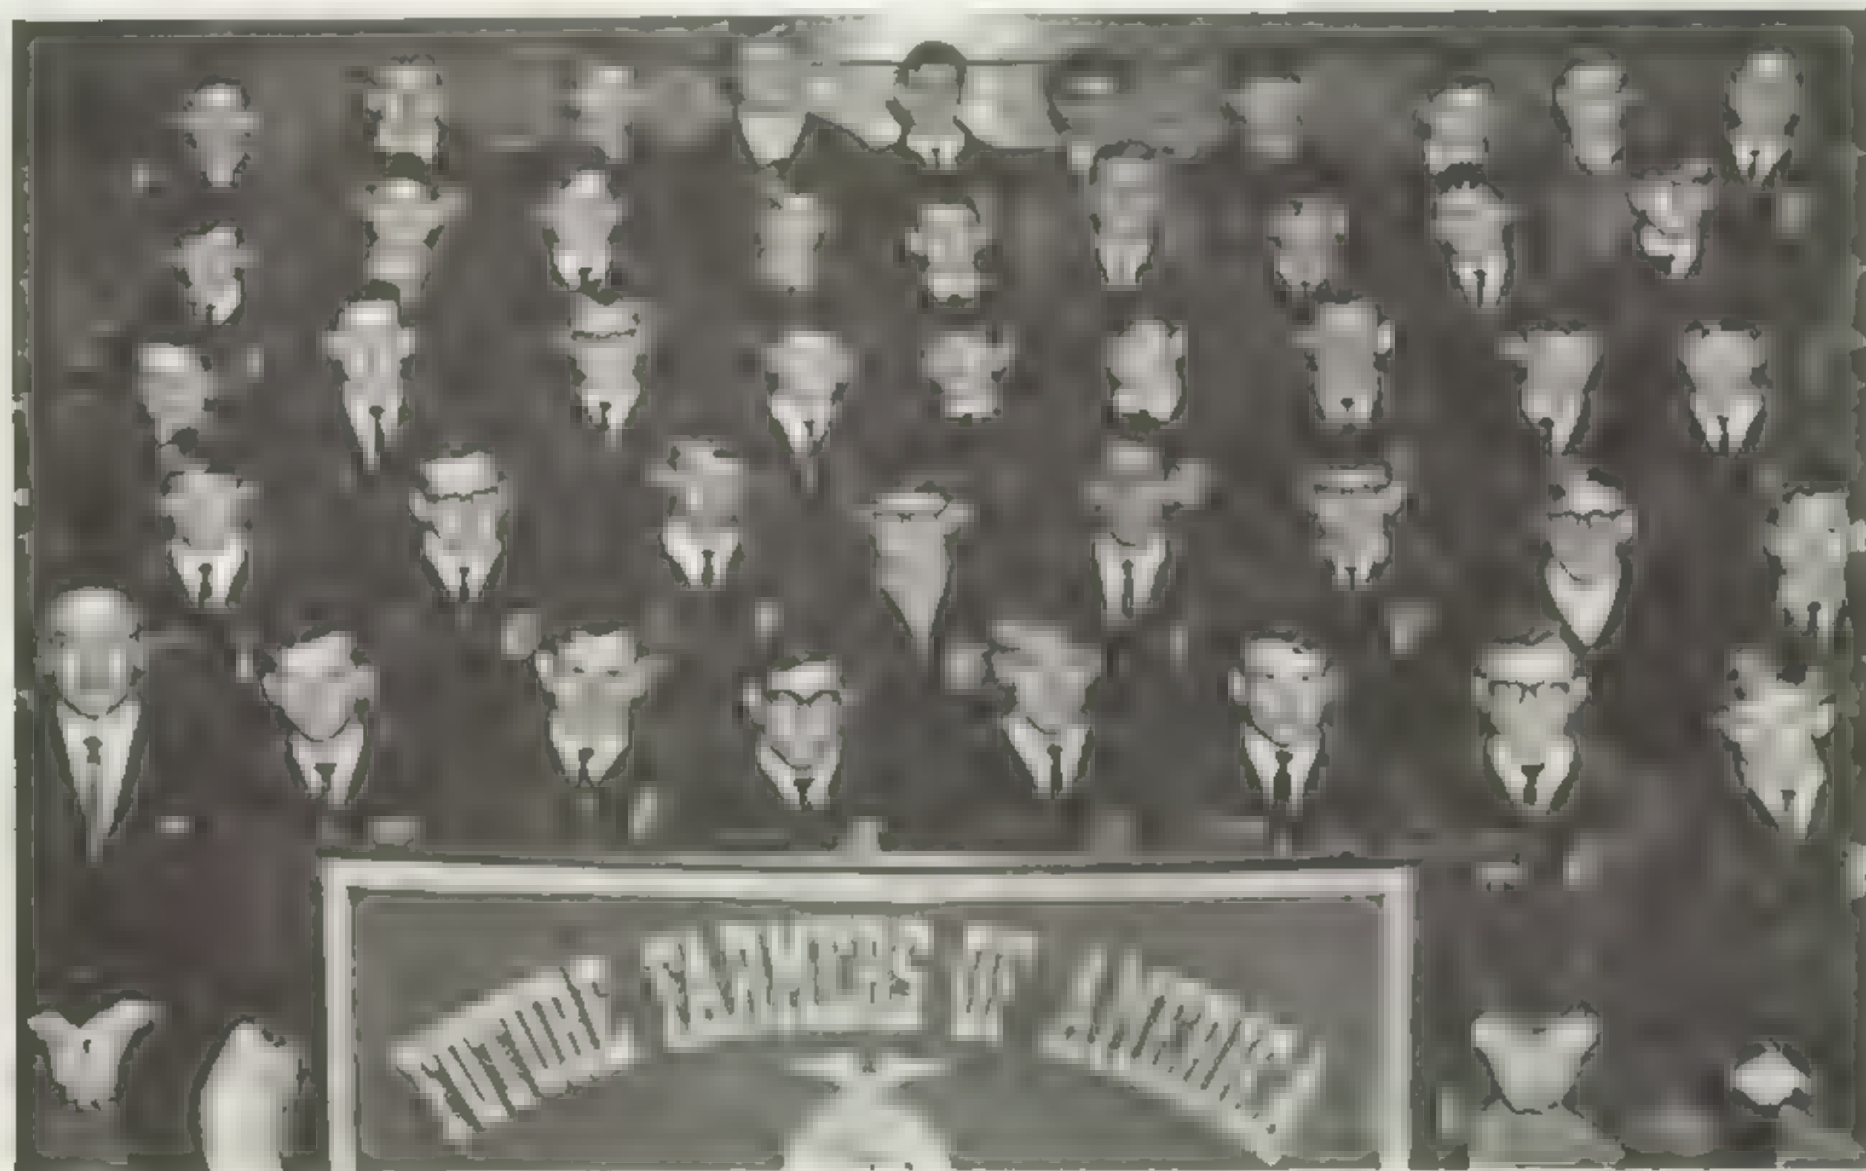

F.T.A. OFFICERS, LEFT TO RIGHT: Carole Martin, president, Vicki Horton, secretary, Chris Carstenson, vice-president, Mrs. Otis Wagner, Marjorie Ackley, treasurer.

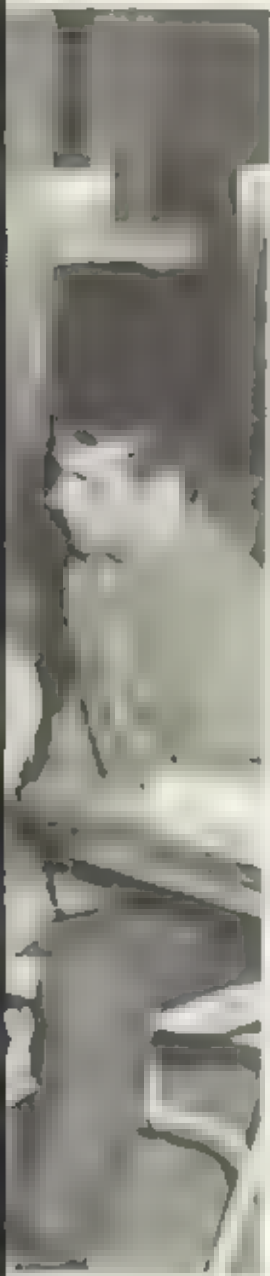

Future Farmers Employ Skills; Experiences Supplement Knowledge

Holding the annual Harvest Festival, a parent-son banquet, and competing in contests highlighted the year for the Future Farmers.

Under the leadership of Paul Nickerson, president and Wayne Jensen, vice-president, the club completed another successful year. Centering their efforts around individual projects, contests, and practical application of what they studied, Future Farmers gained insight into the science of agriculture.

In the fall, the entire chapter attended the National Convention in Kansas City and the Farm Mechanics Show this Spring. Bill New and Donald Stiens received the honor of being State Farmers this year and awards to other chapter members doing outstanding work were presented by Mr. William Bushmeyer, sponsor, at the annual awards Assembly.

Language Clubs Explore International Relations

As linguists continued to develop their talents, many practical experiences supplemented this goal.

In community service, both clubs participated in making the "International Fair" a success, which financed a Maryville student in the Experiment in International Living program. Club meetings were enlivened by guest speakers, celebrations, and the French Club featured reports given by members at each meeting.

Celebrations by the language enthusiasts helped bring the foreign holidays to life. French Club honored such customs as the Epiphany, and the Mardi Gras. Evelyn Abbott and Steve Henderson were selected king and queen of the Epiphany while Jennifer Selby and Gordon Miller reigned over the Mardi Gras. A Christmas Fiesta and covered dish supper consisting of Mexican delicacies prepared by members was held by Spanish Club.

Climaxing the year's activities was a trip to Kansas City to view a motion picture and sample Mexican and French foods.

Journalists Meet Demands

In order to serve as an efficient publication service journalism classes strove to inform both students and citizens.

Each week items of interest were published in the *Maryville Daily Forum* on the "Hi-Lights" page, with Chris Carstenson as editor. With the cooperation of radio station KNIM, a news and feature program was broadcasted each Thursday.

In order to make the 1968 annual somewhat unique, the staff used Mondrian layout. Many hours were spent taking pictures and writing in order to meet deadlines. As a means of promoting annual sales, a kick-off assembly was held in October.

Crossing the "Golden Gate to Honors," the theme of Honors' Night, 1968 MHS royalty was presented at the annual production of the journalism department. Climaxing the year was a Day in which journalism students put out an edition of the *Maryville Daily Forum*.

Royalty Adds Finishing Touch to Activities

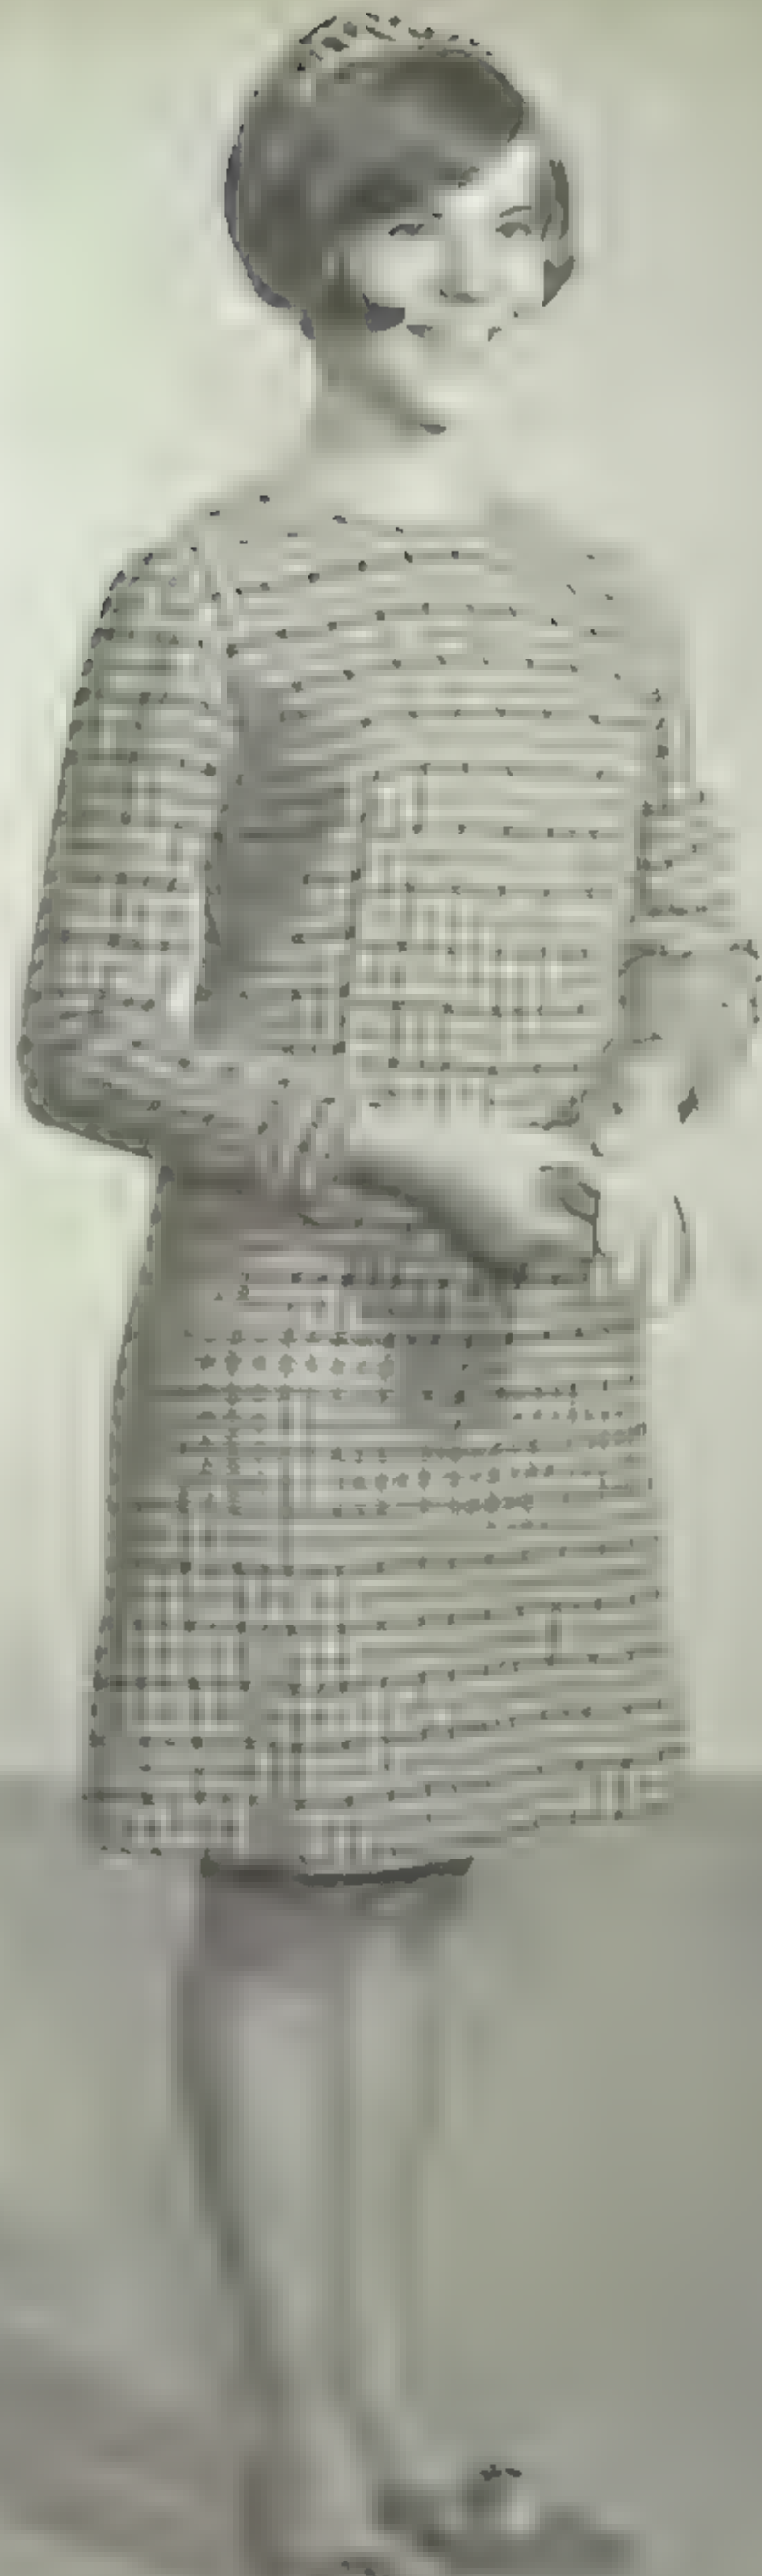

Defeating Lafayette High School in the second Homecoming game of this decade only served to increase the spirit prevalent during the entire activities. A certain school unity seemed to grow and rose to its height at the crowning of the Homecoming Queen, Miss Paula Moyer, and her attendants, Misses Bonnie White, Vicki Horton, Sheila Johnson, and Lynn Jones.

As a preliminary for the game, some 200 students gathered by the school to throw a giant shamrock, Lafayette's symbol, into a bonfire organized by the cheerleaders. The day of the game an assembly was held in honor of the Queen, her court, and the football squad.

Following the game, the Benzene Ring provided music for the first Homecoming Dance, sponsored by the senior class. All in all, Homecoming '68 was about fun, spirit, and unity.

Spoofhounds Complete Rebuilding Season With Even Record

Winning four out of their last five games the Spoofhounds gained a 4-4 overall record and a 2-2 Midland Empire Conference record for third place during a year of constant improvement.

Placing all starters except two on all conference honorable mention including three on the first team the Hounds received recognition for the vast improvement over last season. Frank Schuster, although a conference pick for the first team defense, was also a top Green and White offensive threat with 970 total yards from the quarterback position. Connecting on 56 of 118 attempted passes, Schuster gained 727 yards on airds with all conference end Steve Wempe accounting for the largest share of receptions with 25 for 315 yards. Gary Mackey rounded out the offensive conference choices, being picked on his clutch offensive power and total of 272 yards rushing.

Receiving honorable mention were Paul Nickerson, Ray Madden, and Mark Watkins, all who led the Spoofhounds on the defensive line. Chip Strong, Benny Law, and Frank Staab also received honors for their fine offensive abilities along with Bob Ingels, the leading team rusher with 495 yards. Development of a strong offensive unit and a determined defensive squad marked the return of top grade football that has been missing for some years.

Early Season Problems Damper Green and White's Attempts For Success

MARYVILLE 12-CLARINDA 38: Tall Corn Conference Champion Clarinda displayed an overpowering offensive machine with three touchdown passes and 206 yards rushing. Steve Wempe opened the Spoofhound scoring on a 17 yard pass from Frank Schuster. Schuster accounted for the other score on a one yard plunge in the third quarter.

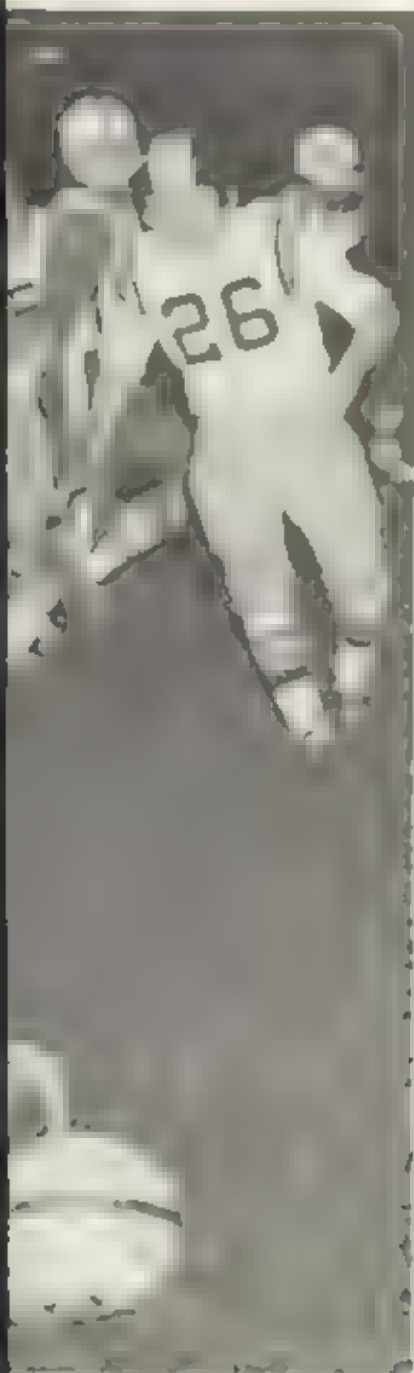

MARYVILLE 7-MT. AYR 26: Mt. Ayr's massive ground assault of 308 yards engulfed the Hounds in the opening home game. Maryville's lone score came on a broken play when Schuster scampered around end for the 45 yard touchdown. Chip Strong, who kicked most extra points during the season, made the conversion.

MARYVILLE 0-BENTON 26: In perhaps Maryville's worst defeat Benton halfback Chuck Bowles scored 20 points and threw the Hounds for their third straight loss. Going to the air, the Green and White compiled 86 yards on 10 completions for 22 attempts but could not mount a successful attempt.

MARYVILLE 18-CHRISTIAN BROTHERS 6: Hound gridsters lived up to their potential for the first time by dumping C.B. in a conference clash. Chip Strong took the first Schuster pass of the night for 34 yards and a touchdown to give the Spoofhounds a 6-0 first quarter lead. Two scores were added in the second quarter, one on another pass to Strong and the second on a 40 yard scamper by Benny Law. With this victory Maryville's conference record was evened at 1-1.

James Taylor, 73, carries the ball around end during the 1-1 season squad game. Taylor was injured later and did not play during the season.

Maturity, Leadership
Solidify Team As Hounds
Win Four of Five Games

MARYVILLE 21—MAUR HILL 20: Maryville used a balanced ground and air attack to win one of the closest and most exciting games in the last few years. Again the Hound aerial combination of Schuster and Wempe came through and produced two third quarter touchdowns, one for 3 yards and another for 19 yards. A determined defense held off a last quarter Maur Hill drive and Gary Mackey scored the winning touchdown on a 4 yard dash.

MARYVILLE 6—SAVANNAH 39: The Hounds attempt to dump the top ranked Savages was foiled by an early interception and a fumble. Bob Ingels scored the only touchdown for the Spoofhounds on a 15 yard end sweep in the third quarter. In total offense 294 yards were compiled by Maryville.

MARYVILLE 57—BEDFORD 0: Bedford collapsed under an overpowering Hound rushing offense of 353 yards and were held to only 62 total yards by a determined Maryville defensive squad. Bob Ingels, Frank Schuster, and Roger Poage all tallied twice with Frank Staab, Steve Wempe, and Bob Hall scoring once each. Wempe and Poage scored the only touchdowns on aeriads from Schuster and Hall.

MARYVILLE 39—LAFAYETTE 12: Spoofhound gridsters finished the season on a winning note by not only bringing in a homecoming victory but also securing third place in the Midland Empire Conference in a hard hitting and temper filled contest with a varied offense of 170 yards passing and 146 yards rushing. Seniors Gary Mackey and Steve Wempe led the scoring with three and two touchdowns. Also distinguishing themselves in their final game were seniors Paul Nickerson, Karl Ritterbusch, Ray Madden, and Mark Watkins. Senior Benny Law, a mid-season injury victim, completed the season on the sidelines.

Show Future Abilities

Building teamwork and character for future seasons, the Spoofhound B-team and freshman team compiled a 2-5-1 season

Coach J. B. Watsabaugh's B-team fell to a 0-3 season, due to a lack of great size and depth. Quarterback Bobby Hall and halfback Roger Poage proved to be the offensive leaders, while freshman linemen filled in to create a tough defensive unit

Ending the '87 campaign, the Hound's freshman team was led by an aggressive defensive line and a hard-hitting backfield. Ron Swift, Bruce Walker, and Jim Knittle led the freshman offensive unit with their rushing abilities. Coach Jim Graves defense was led by a massive line including Paul Wilmes, Mike Watkins, and Tom Partridge

"Benefit for the future," was the only consolation given by head basketball coach, Erwin Morriss, after reviewing the 4-16, 67-68 basketball season.

The Hounds fell in defeat in their first two games in the Midland Empire Conference Tournament and were unable to shake their losing ways in the season. The brightest point of the season came when they defeated the strong Bethany Bulldogs.

Ken Crozier led the Hound scorers with a 12 point average, while Bob Ingels had a strong final part of the season to end up with 10 counters per contest. Bill Larmer, honorary team captain, ended the season with 9 per game and was termed by Coach Morriss as the "most determined player" at the close of the campaign. Senior Dana Hockensmith played a major role on the boards as he pulled down 7 rebounds per game. Doug Summa, sophomore center, showed great improvement throughout the season and could help the Hounds next season.

Ken Crozier and Bob Ingels received spots on the M.E.C. all-conference second team, while Dana Hockensmith gained honorable mention.

B-team, Freshmen Show Improvement, Promise

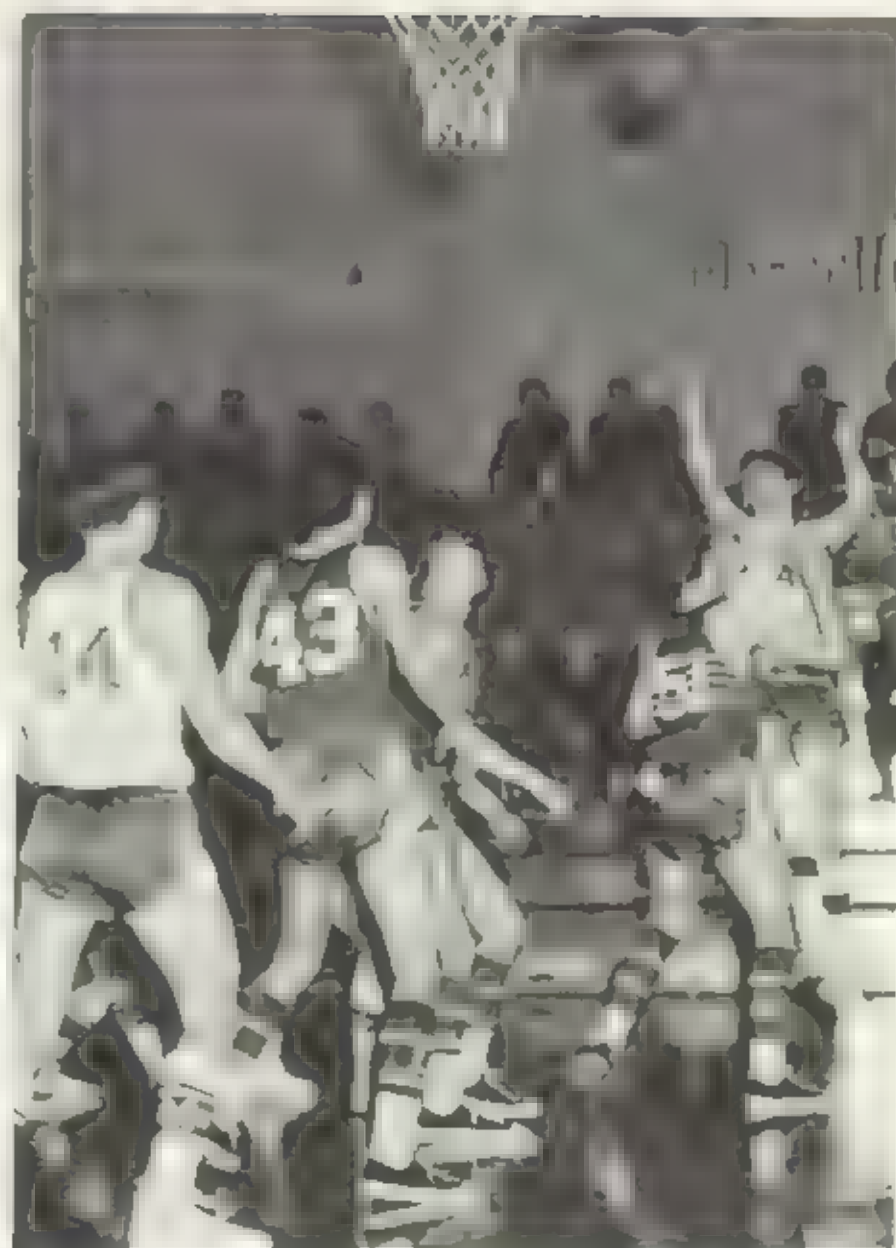

Marvville High School's B-team roundballers struggled through a disappointing season compiling a record of 3-11.

Of the three victories the Hounds probably had their "finest hour" in upsetting the highly ranked Tarkio Indians. Five of the Hound losses came by less than five points.

Scoring and rebounding leaders of the Hound attack were Mike Merrick and Francis Dahmus respectively. Jim Wilson and Bobby Hall played their tireless roles as floor leaders in attempting to bring in Hound victories.

Mickey Dougan, Randy Owens, and Ron Swift led the freshman squad to a fine 8-4 won-lost record this season. The fine shooting and floor play of Dougan and Owens coupled with leading scorer Swift should bring help to next year's varsity.

Freshman members are LEFT TO RIGHT, FRONT Mark Allen, David McLean, Jeff Otto, Jeremy Owens, Mack Dorgan, Harold VanStickle, David Burch and Coach J. B. Watschinger.

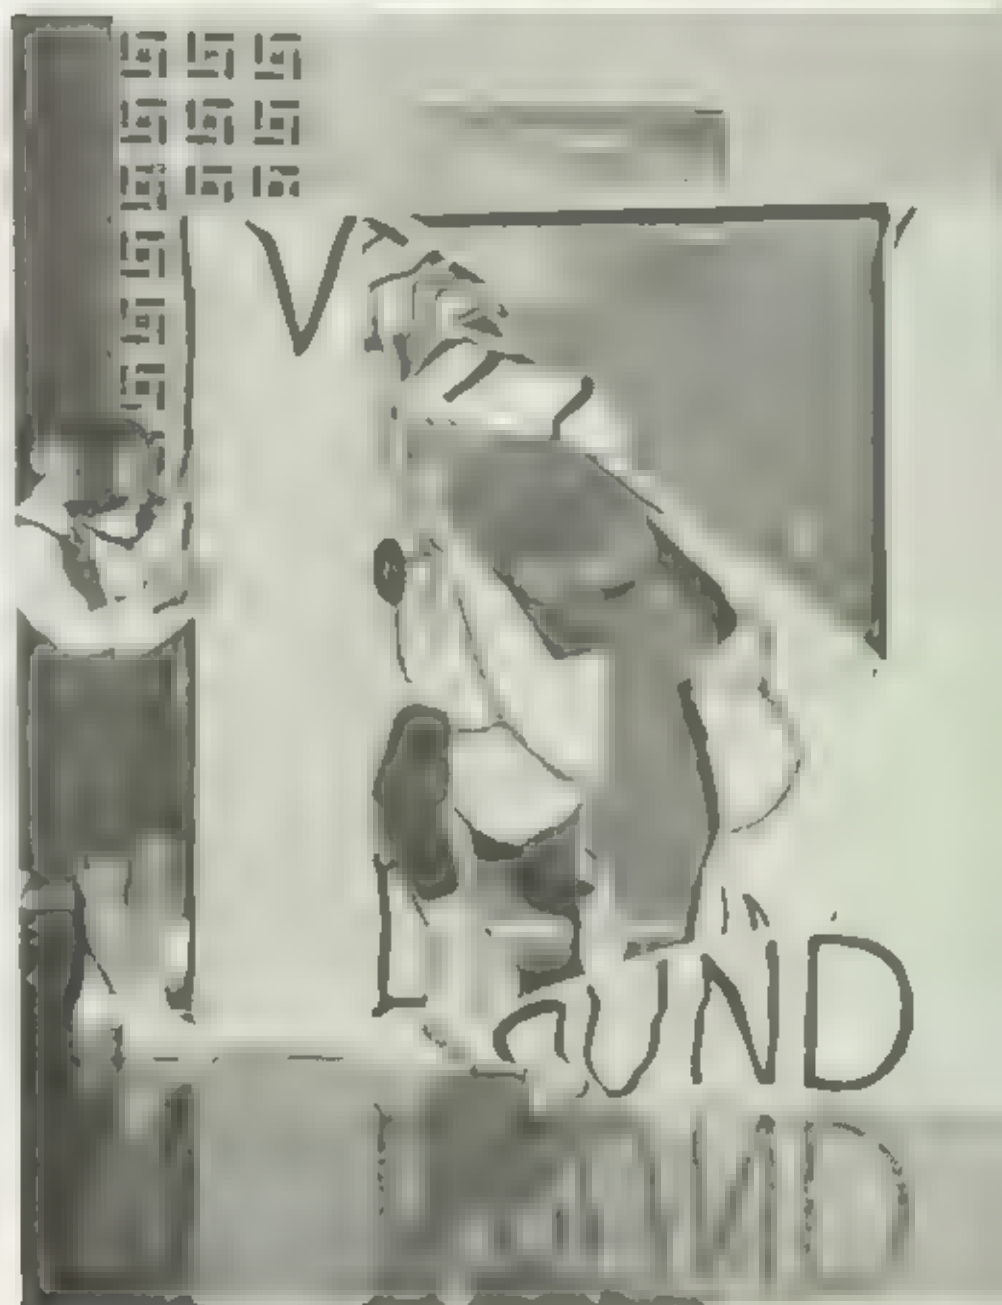

MIDDLE LEFT: Martin, Steve Green, David Miller, David Schell, Dan, Bill, David, Curtis and Bill Espy. BACK: Paul Powater, Ron Swift, Bob Miller, Steve Job, Ben Boswell, Maurice Saxon, Bill Hart.

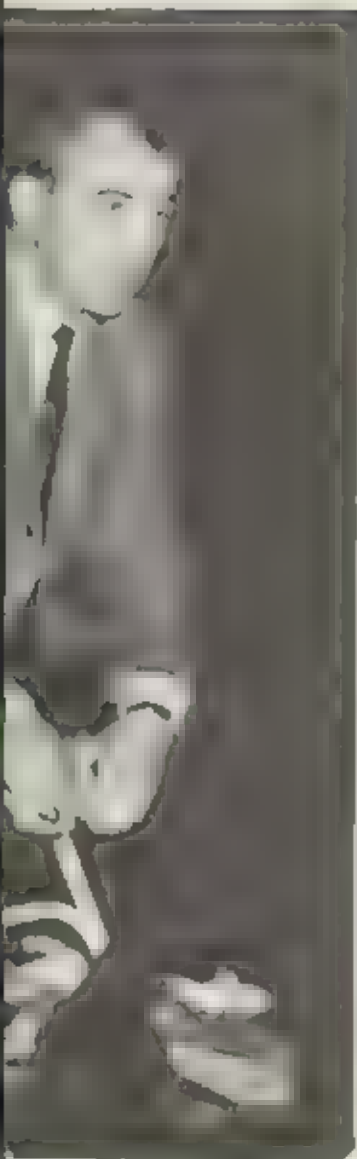

Dual Season Disappointing As Grapplers Post 3-6 Season

Farragut, Benton, and Pembroke Country Day provided MHS grapplers with their only wins in nine contests. Two losses were by three and two points, while the team was without the services of some of its top members.

Frank Staab posted the only undefeated dual record with a 4-0 mark. Staab was voted the "Most Valuable Wrestler" by his fellow team members while Mike Mackey received the award "Most Improved Wrestler" from the squad. Seniors Bill Keyes and Bill Hines were elected co-captains for the season.

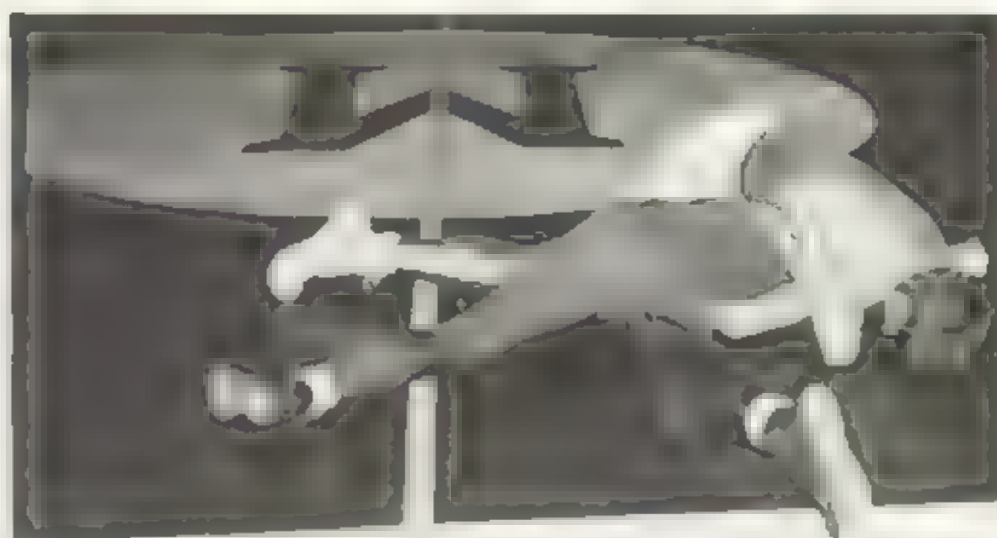

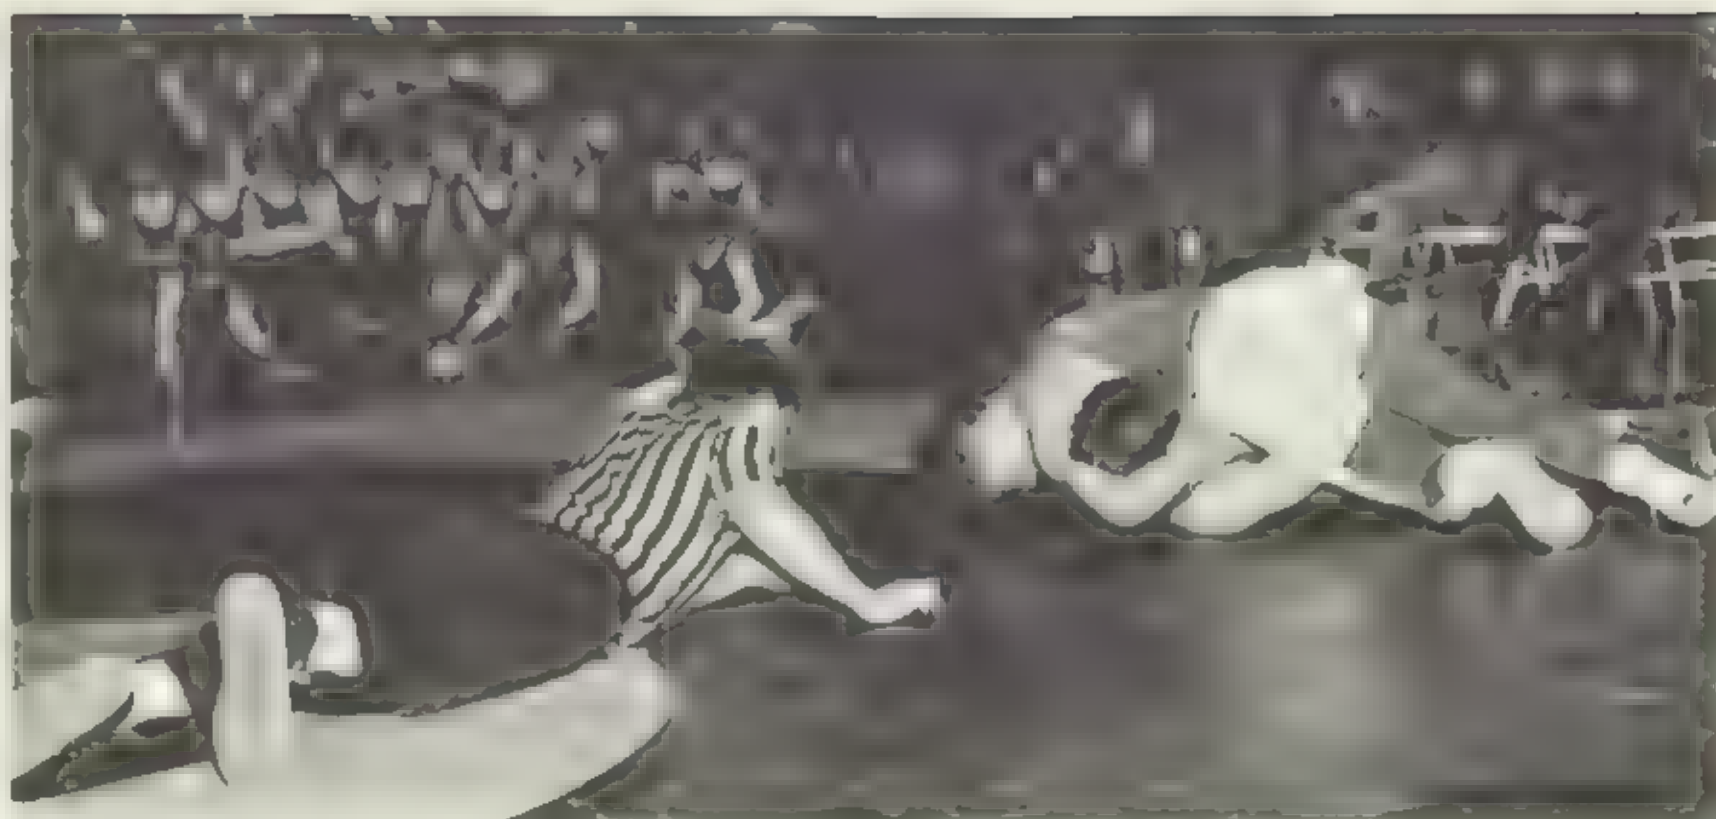

ABOVE Varsity team members are left to right Jack, Tom, Warren, James Taylor, Tom, Mullen, George Wilson, Mike, Mackey, Pat Snyder, Frank, Steve, Bill Kays and Ben. Wicker. Front: Ron, Dave, Roy, Hines and David. Misses: Also team supporters. Left: Wicker and Rusty Graves.

B-team, Freshmen Show
Improvement, Promise

Building towards another winning season next year, the MHS B-team grapplers completed a dual season with a 5 win-4 loss mark.

Many of the B-team members participated in the varsity during the season where they gained valuable experience. The Lynch brothers, senior Mike and sophomore Bob, led the team with 7-2 and 6-2 records. Freshman members made up a large part of the squad, and also accounted for many of the team's points.

B-team members are LEFT TO RIGHT, FRONT: Rusty Graves, Lance Wieland, SECOND ROW: Rick Baker, Ross Scott, David Gaugh, and Jim Knittel, THIRD ROW: David Zaph, Charles Bowman, David Showers, Marvin Meyer, and Bob Piv-eral, BACK: Mike Watkins, Vince VanGundy, Mike Lynch, and Bob Lynch.

Strong Varsity Squad Captures Three of Four Tournament Titles

Tournaments provided the MHS grapplers with full enjoyment through accomplishment as they captured three of the four titles they attempted to gain.

Starting with a dismal fourth in the Ruskin Heights Quadrangular, it looked like a long tournament road. But coming in as a strict underdog the Yuletide Tournament crown came to MHS. From that point on tournaments were no problem as they won the MEC Title and the District Crown.

Frank Staab gained fourth in the state along with a 17-2 tournament record. Greg Wilson made it to the state tournament when he placed second in the regional. Pacing the Hounds during the tournament season and winning at district also were Ron Dyche, Bill Hines, David Mires, John Madden, and Bill Keyes.

Inexperience Plagues Cindermen

Building Spoofhound cindermen for future years was the aim of the track team as two-thirds of the participants were underclassmen.

Bill Larmer, Francis Dahmus, Roger Poage, and Bruce Walker provided the Hounds with some punch on their way to a 1-2 triangular record. Relays were disappointing for the trackmen, as their only placings came from Dahmus in the open 440 yard run.

Poage, Bob Ingels, and Doug Summa represented the Green and White at the state indoor. No one placed in the outdoors, even though Poage ran his best hundred dash with a 10.3 time.

It's About Being

Tempered, Confident.

While the world watches,
Depart for a new tomorrow.

Begin again.
